Dear Parents / Guardians,

Throughout each school year there are opportunities where it is valuable to visit the local area to enhance the curriculum, particularly for Geography and History.

It is essential that we have parental permission for these educational visits, alongside the risk assessments which school carries out before a trip.

To avoid issuing the same letter each year we are asking parents to give permission for any local visit throughout your child's school life, from Reception to when they leave in Year 6. The consent forms will be passed to your child's next teacher when they move classes each September.

You will be notified in advance of any such trips by the class teacher, but you will not be required to sign any further consent forms.

By signing the slip below, you can give us permission for your child to take part in any visits to the local area of Lostock Hall for the duration of your child's time at Our Lady & St Gerard's.

We hope that you will support us in this and allow your child to take part in these educational visits.

Yours sincerely,

Miss C Addison
(Deputy Headteacher)
