Mindfulness

Science- Materials

All objects are made of one or more materials that are chosen specifically because they have suitable properties for the task.

When choosing what to make an object from, the properties needed are compared with the properties of the possible materials, identified through simple tests and classifying activities.

A material can be suitable for different purposes and an object can be made of different materials.

Objects made of some materials can be changed in shape by bending, stretching, squashing and twisting.

Events

- 5.11.24 9:15am Whole School Mass
- W.B. 11.11.24 Anti-Bullying week
- 12.11.24 9:15am Year 6 and Year 2 Mass
- 15.11.24 Children in Need
- 18.11.24 3:30-5:30pm Parents Evening
- 19.11.24 Rock Kidz
- 20.11.24 Class photos
- 20.11.24 3:30-5:30pm Parents Evening
- 29.11.24 Mufti Day
- 2.12.24 6pm Christmas Bingo
- 3.12.24 Year 2 Panto Trip
- 10.12.24 Whole School Mass
- 11.12.24 KS1 Carol Concert in Church 9:30am and 1:30pm
- 16.12.24 Christmas Jumper Day

Maths

Recall and use addition and subtraction facts to 20 fluently and derive and use related facts up to 100.

Add and subtract numbers using concrete objects, pictorial representations, and mentally, including: a two digit number and ones, a two digit number and 10s, two two digit numbers and adding 3 one digit numbers.

Compare and order numbers from 0 up to 100: use <=> signs.

Identify and describe the properties of 2D shapes, including the number of sides and line symmetry in a vertical line.

Compare and sort common 2D and 3D shapes and everyday objects.

Identify 2D shapes on the surface of 3D shapes.

Identify and describe the properties of 3D shapes, including the number of edges, vertices and faces.

Year 2 Autumn Term 2

Geography

To know

- a continent is...a large area of land made up of different countries
- the names of the 7 continents- Europe, Asia, Africa, North America, South America, Oceania , and Antarctica,
- Asia is the largest
- Oceania is the smallest
- their location on a map
- an ocean is a large body of saltwater covering the Earth
- the names of the 5 oceans - Atlantic Ocean, the Indian Ocean, the Pacific Ocean, the Southern Ocean, and the Arctic Ocean,
- their location on a map

RE-

Advent/ Christmas- Loving

Advent is four weeks of preparation for the celebration of the birth of Jesus at Christmas. Advent is a time to prepare for the birth of Jesus. Isaiah tells of the promised one. The annunciation. The visitation. Mary and Joseph prepare for the birth of the baby. Jesus comes to us as God's loving gift. Remembering, celebrating and responding to preparing for special times. Advent: four weeks of preparation for the celebration of Jesus at Christmas.

Music – KS1 Carol Concert

Musical Spotlight: KS1 Carol Concert

Music can be enjoyed in different sized groups. Singing songs from memory, children will start/stop and sing at the same pitch in a larger group.

Social Question: How does sharing music make us feel?

PSHE-

Managing secrets
resisting pressure and getting help
recognising hurtful behaviour.
What is bullying?

Computing- Coding

To understand what an algorithm is.

To create a computer program using an algorithm.

To create a program using a given design.

To understand the collision detection event.

To understand that algorithms follow a sequence.

To understand that different objects have different properties.

To understand what different events do in code.

To understand the function of buttons in a program.

To understand and debug simple programs

To understand the sorts of tasks that a spreadsheet program could be used for.

To enter data into spreadsheet cells.

To use 2Calculate image tools.

To use the totalling tools.

To use a spreadsheet for money calculations.

To use the 2Calculate equals tool to check calculations.

To use 2Calculate to collect data and produce a graph.

DT

Product Knowledge

A hand puppet is controlled by a hand. It has a hollow head, a body and arms.

Technical Knowledge

To know that they can use different techniques to join materials in different ways. For their puppet, they will use an overstitch and a running stitch.

Different types of fabric have different properties. Felt is a useful fabric for making puppets because it doesn't fray.

A product can be made more appealing by using finishing techniques to improve its appearance.

Skills

I am learning to join different pieces of fabric together by using an overstitch and a running stitch. I will be able to thread a needle independently and use it safely.
